Subject: Misinformation Concerning the DOE Oak Ridge Reservation EMWMF and EMDF

Dear Administrator Regan,

Please find attached a letter and supporting documentation concerning some of the misinformation associated with the Department of Energy (DOE) Environmental Management Waste Management Facility (EMWMF) and the proposed Environmental Management Disposal Facility (EMDF). We hope this letter and attachment will assist in adding perspective for decision making.

This letter is cosigned by retired Tennessee Department of Environment and Conservation (TDEC) employees with combined over 120 years of service to the State of Tennessee, over 140 years of combined environmental experience, and over 60 years of experience with the DOE Oak Ridge Reservation.

If you or members of your staff have questions or desire clarification, feel free to email me and I will coordinate a response by the cosigns.

Thank you for your time and consideration,

Andy Binford
